

11th Annual ABRC-Flinn

Research Conference

May 5, 2026

*Times listed below are in MST/Arizona local time. Arizona does not observe daylight saving time.

AGENDA

8:00 - 8:30 AM **Registration & Breakfast**

8:30 - 8:40 AM **Welcoming Remarks:**
Fredric Wondisford, MD, MS, MBA – Dean, University of Arizona College of Medicine – Phoenix
Chris Glembotski, PhD – Vice Dean, Research, University of Arizona College of Medicine – Phoenix

Featured Speaker

8:40 - 9:15 AM **New Technologies for the Immunotherapeutic Prevention and Treatment of Disease**
Corey Casper, MD, MPH
Chief Research Officer, Banner Health
Professor of Medicine, University of Arizona College of Medicine - Tucson
Professor of Clinical Translational Sciences, University of Arizona College of Medicine - Phoenix

Awardee Presentations

9:15 - 9:30 AM	Paulina Colombo, MPH ABRC	Design of a Multi-Modal Framework for Understanding Infection Routes through Social Contact Patterns in Long-term Care
9:30 - 9:45 AM	Jahnav Rokalaboina, MS ABRC	A Soft Knee Exosuit for Personalized and Fast Support: Design, Optimization, and Human Subject Evaluation
9:45 - 10:00 AM	Elise Erickson, PhD, CNM, FACNM ABRC	Defining a Digital Phenotype for Labor in At-Risk Pregnancies
10:00 - 10:15 AM	Break & Digital Poster Viewing	
10:15 - 10:30 AM	Douglas Lake, PhD Flinn	Evaluation of a Rapid Lateral Flow Assay for Monitoring Antibodies in Patients with Coccidioidomycosis using Fingerstick Blood
10:30 - 10:45 AM	Amimul Zoha, MS ABRC	Overcoming Annotation and Privacy Bottlenecks: Synthetic Data Augmentation for Valley Fever Symptom and SDoH Extraction
10:45 - 11:00 AM	Jason Couch, DO Flinn	Clinical Predictors of Responsiveness to Inhaled Nitric Oxide in Neonates with Persistent Pulmonary Hypertension
11:00 - 11:15 AM	Nan-kuei Chen, PhD ABRC	Development of High-Performance, Low Cost, Low-Field Lung Magnetic Resonance Imaging (MRI) to Improve Care in Lung Cancer and Respiratory Illnesses

11th Annual ABRC-Flinn

Research Conference

May 5, 2026

Times listed below are in MST/Arizona local time. Arizona does not observe daylight saving time.

AGENDA

Lunch Break & Poster Session

11:20 AM - 1:50 PM All posters are available to view in the Virginia G. Piper Auditorium and digitally

Group 1: 12:00 - 12:35 PM

Group 2: 12:35 - 1:10 PM

Group 3: 1:10 - 1:45 PM

Awardee Presentations

- | | | |
|-----------------------|---------------------------------------|---|
| 1:55 - 2:10 PM | Hyo-Jin Park, PhD
COM-P | Targeting Paxillin in Liver Fibrosis: Preclinical Evaluation of the Paxillin Inhibitor 2012 |
| 2:10 - 2:25 PM | Derek Cridebring, PhD
Flinn | Extracellular Vesicle Based ALPPL2 and THBS2 as Biomarkers for Disease Monitoring in Patients with Pancreatic Ductal Adenocarcinoma |
| 2:25 - 2:40 PM | Curtis Thorne, PhD
Flinn | An Orally Bioavailable, Brain Penetrant, Multi-targeted Kinase Inhibitor for Simultaneous Targeting of Cancer Growth and Stemness |

2:40 - 2:55 PM *Break & Digital Poster Viewing*

Featured Speaker

- | | |
|-----------------------|--|
| 2:55 - 3:30 PM | Engineering the Future of Neurosurgery
Nicholas Theodore, MD
Professor & Chairman, Department of Neurosurgery, University of Arizona College of Medicine – Phoenix
Physician Executive, Neuroscience Service Line, Banner Health |
| 3:30 - 3:45 PM | Closing Remarks:
Chris Glambotski, PhD – Vice Dean, Research, University of Arizona College of Medicine – Phoenix
John Garcia, MBA, CPM – Office Chief & Program Director, Arizona Biomedical Research Centre
Mary O'Reilly, PhD – Vice President, Bioscience Research Programs, Flinn Foundation |
| 3:45 - 5:00 PM | Networking Session
Poster Viewing, Cocktails & Hors d'oeuvres located in the Virginia G. Piper Auditorium |
